### **Scholarships for Graduating Seniors**

Each year St. Ann Parish, through the Chip Hanlon Memorial Scholarship, the parish St. Vincent de Paul Society and general parish funds, makes awards of varying numbers of scholarships to graduating high school seniors who are pursuing college studies. We are proud of the many young parishioners who have received these scholarships over the years. We are grateful to all whose generosity makes the scholarships possible. We want to encourage our young people to be aware of these scholarship opportunities and the requirements for eligibility. We include the guidelines here to give notice to all who might be interested in applying for the scholarships during the spring and the years thereafter.

1. Scholarship applicants must be from currently registered St. Ann's parish families.
2. Scholarship applicants must have received the Sacrament of Confirmation.
3. Scholarship applicants must be attending Mass weekly at St. Ann's (with the regular exceptions for sickness, travel and occasional attendance elsewhere).

4. Scholarship applicants must be involved in and demonstrate volunteer community service activity *to St. Ann Parish* in their post-Confirmation High School years, i.e., grades 11 and 12.

The awarding of scholarships, their number and the amounts thereof are determined on a year to year basis. Scholarships will be made payable in a manner determined by the parish.
